

Florida State College at Jacksonville

How to Access Information Literacy Assessment (ILAS) Preparation Materials

To access the **Information Literacy Assessment preparation materials** for the first time:

1. Log on to **Blackboard** (<http://bb.fscj.edu>).*
*If not currently enrolled and unable to access Blackboard, e-mail infolit@fscj.edu for assistance.
2. Click on the **Community** tab.
3. Click on **Students** under **Organization Catalog** (faculty click on **Faculty** link).
4. Find **Information Literacy** and click on the “**Enroll**” button at the far right end of the line. There is **no fee** for enrolling in the course.
5. Click **Submit**.
6. Click **Okay**.
7. Click on the “**Modules 1-6**” button to access the course modules. Studying these modules will help prepare you for the Information Literacy Assessment.

Once enrolled, you will be able to access the **Information Literacy** preparation materials directly from your Blackboard home page under “My Organizations,” or from the Community tab. If “My Organizations” is not displayed on your Blackboard home screen, you can use the “Modify Content” button at the top right of the Blackboard screen to select “My Organizations” from the list of options.
