

2007-08 Catalog: Programs of Study

Business Administration (2213)

Associate in Science

This Business Administration program will give you a solid foundation on which to build a successful career in the business profession. This degree is intended primarily for students who desire to complete an associate in science degree, and then transfer to a university to complete a bachelor's degree in business administration.

For information about pursuing an associate in science degree in Business Administration completely online, contact the **Business program**.

Articulations

This A.S. degree program articulates into a bachelor's degree program. For more information, please visit the **Transfer Services** Web site.

Accreditation

This program is accredited by the **Association of Collegiate Business Schools and Programs (ACBSP)**.

Cost

Estimated cost of tuition is \$4,250 (tuition rated for Florida residents, as of 7/07). Contact the program manager for additional costs (textbooks, materials, fees).
