

The Teach First Coast Program

The program prepares non-education majors (most are making a career change) to enter the teaching profession. The program includes all coursework required to earn a Florida Professional Educator Certificate. An example of what a participant learns is how to manage a classroom or create a lesson plan. The complete curriculum is on the Teach First Coast website.

Participants are also prepared to pass the Professional Education Test and are provided workshops and other resources for passing the Subject Area Exam and the General Knowledge test.

Steps to Apply:

1. Print the information packet from the Web site at www.fccj.edu/teachfirstcoast
2. Complete the application including the narrative response to the eleven questions.
3. Compile all documents on the information packet checklist.
4. Do not mail, fax, or drop off the application.
5. When the application is complete call (904) 633-8151 to schedule a one-hour interview.
6. Bring the completed application and required documents to the scheduled interview.
7. The comprehensive interview will include information on enrollment, scholarships, attaining certification and entering the teaching profession.
8. Applicants will be notified of acceptance during the interview.
9. There are many advantages to completing an interview early!
10. If undecided, or in need of further information call (904) 633-8151.
