

# Transfer Advising Sheet for Exceptional Student Education Program

Florida Community College at Jacksonville  
Associate of Arts Degree with Intended Transfer Major of Education or Exceptional Education

Articulated Program with Nova Southeastern University  
Bachelor of Science Degree in Exceptional Student Education

This transfer institution has agreed to accept the specified associate's degree from FCCJ. The FCCJ graduate will be accepted at the junior level, and is required to complete the equivalent of two years of full-time coursework to complete the specified bachelor's degree. The following chart shows the specific courses that the FCCJ student is required to take to meet the guidelines of the articulation agreement with the transfer institution.

It is very important to make sure that your Program of Study at FCCJ is Associate of Arts with Intended Transfer Major of Education or Exceptional Education. If you do not plan to transfer to this specific transfer institution, please follow the Program of Study, as specified in the College Catalog.

### General Education Requirements to be taken at FCCJ as part of AA degree

<b>Total Hours</b>				<b>25</b>

**TOTAL FCCJ HOURS FOR AA DEGREE**

**61**

**General Education Notes:**

- Please review the Florida Community College Catalog for General Education Requirements (GER).
- CLAST (College Level Academic Skills Test): The CLAST is a graduation requirement for the associate in arts degree in the community college system of Florida. Passing all four subsets of the CLAST exam, or satisfying a CLAST exemption, is a requirement for meeting the bachelor's degree graduation requirement. Students preparing for teacher education must complete and pass all four sections of the CLAST
- Foreign Language: state university foreign language requirement does not apply to students transferring to NSU.
- All General Education courses require a grade of "C" or above.

**Prerequisite and Elective Notes:**

- **\*\*Background check required for EDF 1005 and EDG 2701 Prerequisite Courses:**  
Please visit the FCCJ Background Check webpage to find out the latest information on the required background check before conducting the required field experience hours in EDF 1005 and EDG 2701. <http://www1.fccj.edu/liberal-arts/Documents/May%20Updates%202005/Background%20check%2005%2010%2005.pdf>
- All prerequisite courses require a grade of "C" or above.
- A major prerequisite course may satisfy both FCCJ General Education Requirements and NSU Major Prerequisites. Please review the General Education Requirements and talk with an advisor.

**CLAST Note for Teacher Education students:**

- Students who are planning on enrolling in an upper division teacher preparation program must demonstrate mastery of general knowledge, including the ability to read, write, and compute, by passing the General Knowledge Test of the Florida Teacher Certification Examination, the College Level Academic Skills Test or a corresponding component of the National Teachers Examination series as one of the prerequisites for admission.
- All teachers must take the General Knowledge Test in order to receive Professional (continuing) Teacher Certification, therefore it is recommended that students who plan on entering a teacher preparation program and who receive a CLAST exemption from FCCJ take the General Knowledge Test instead of CLAST.
- Teachers already employed in local school districts who must take the General Knowledge test within a specific amount of time can benefit from CLAST preparation courses offered at FCCJ since the CLAST and the General Knowledge Test are very similar. Information about CLAST preparation classes can be found by contacting a campus assessment and certification center.

**Other Notes:**

- Qualified students will have earned a grade point average of **2.5** and will have completed a minimum of 60 semester hours before transferring.
- No more than 60 semester hours of credit may be transferred toward completion of the degree requirements at NSU.
- If you do not plan to transfer to this specific transfer institution, please follow the Program of Study, as specified in the College Catalog.

**Please check with a Florida Community College advisor or counselor for more information.**

FCCJ: Open Campus, Learner Support Center: (904) 646-2300
